The Alameda County Waste Management Authority will discuss and vote on the planned Sunol Compost Facility at their Board Meeting, this Wednesday, December 14, at 5:00 PM. The meeting is at 777 Davis Street, Suite 100, in San Leandro.

The Alameda Creek Alliance, Stop the Dump in Sunol and Save Our Sunol are opposing siting this facility in the Sunol Valley, which we feel is not an appropriate location.

Stop the Dump in Sunol will host a strategy meeting tomorrow night, Tuesday, December 13 at the Sunol Glen School at 6:30 PM. Meet in one of the Eagle's Nest classrooms - the first classroom on the right as you come thru the front gate of Sunol Glen School heading towards the center courtyard.
