

The Alameda Creek Alliance will celebrate our **10th anniversary** in August with a celebration dinner and silent auction fundraiser on the evening of **Friday, August 24th** from 6-9 pm at [Chouinard Winery](#) along Stonybrook Creek in Niles Canyon.

Yes, it's been a decade of organizing and advocating for restoring Alameda Creek and its fisheries. Four dams have been removed so far and two fish ladders built – only two more major dam removals, three fish ladders and some guaranteed minimum stream flows to go before we can get into the next decade of restoration work and recovery of our fish runs!

Please save the date and plan on joining us the evening of August 24 to celebrate our accomplishments so far. The event will feature good food, excellent Chouinard wine, live music, local celebrity speakers and the silent auction. More details about the event to follow soon.

If you are interested in helping to organize the anniversary celebration or help set up at the event, please contact Diana Brumbaugh of the ACA at (510) 794-4252 or e-mail alamedavolunteer@yahoo.com.
