Steve Oneil of Newark heads toward the finish line of the 10K Spawning Run, part of the Fremont Steelhead Festival at Niles Community Park. Oneil was one of 110 runners who participated Saturday in the 5-kilometer and 10-kilometer runs. In the 5K, Paul Modrelli of Fremont finished first in the men's race and Erica Elias of Castro Valley was first among women. In the 10K, Gino Mendoza of Union City was first in the men's race, and Nicole David of Fremont was first among women. The event raised \$2,750 for the Alameda Creek Alliance, a group working to return native steelhead and salmon to Alameda Creek.
